

Kansas College and Career Ready Standards

# English Language Arts and Literacy in History/Social Studies, Science, and Technical Subjects

## Grade 4 with Kansas 15%

Adopted 10/2010

## Anchor Standards\* for Literacy Learning

The “Anchor Standards for Literacy Learning” were added by the Kansas Department of Education (KSDE) as part of the KS 15% for English Language Arts\*\*. The purpose of the Kansas 15% is to emphasize concepts and teaching philosophies that are important in Kansas. Although most of the concepts included within these standards are mentioned in the Common Core State Standards (CCSS), KSDE wanted to highlight the importance of each one.

The “Anchor Standards for Literacy Learning” underscore the idea that comprehensive literacy instruction should occur both across the curriculum and within each discipline and that *all educators* share responsibility for the literacy learning of all students. Comprehensive literacy instruction should address skills in reading, writing, thinking, listening, and speaking and should be approached in a cohesive and integrated fashion rather than as discrete skills taught in isolation.

College and Career Readiness Anchor Standards for Literacy Learning		
<b>Literacy Learning</b>	 <b>1</b>	Engage in literacy learning through a collaborative and community effort and in an integrated fashion, rather than as discreet skills in isolation.
	 <b>2</b>	Use meta-cognitive strategies to monitor literacy learning progress.
	 <b>3</b>	Engage the five essential components of reading (phonemic awareness, phonics, fluency, vocabulary, and comprehension) at all grade levels based on individual student needs.
	 <b>4</b>	Engage a strategic and coherent focus on literacy learning across all content areas with shared literacy responsibility from all Kansas educators.
	 <b>5</b>	Develop the literacy skills presented throughout these standards in both academic and career/technical education contexts.

\*\*Four other anchor standards were added by the Kansas Department of Education as part of the KS 15% for English Language Arts. They are noted in the “Anchor Standards for Reading” and “Anchor Standards for Writing” sections below.

## Anchor Standards\* for Reading

According to the CCSS document, the “standards on the following pages define what students should understand and be able to do by the end of each grade. They correspond to the College and Career Readiness (CCR) anchor standards below by number. The CCR and grade-specific standards are necessary complements—the former providing broad standards, the latter providing additional specificity—that together define the skills and understandings that all students must demonstrate.”
