
Who We Are:

FCCLA is a Career and Technical Student Organization (CTSO) with the family as its central focus. We are a non-profit organization that strives to supplement the curriculum of Family and Consumer Science (FCS) classes by providing a leadership component.

Our Mission:

To promote personal growth and leadership development through Family and Consumer Sciences education. Focusing on the multiple roles of family member, wage earner and community leader, members develop skills for life through: character development, creative and critical thinking, interpersonal communication, practical knowledge, and career preparation.

Kansas

BRIGHT Lights, BRIGHT Future

What We Have To Offer:

- **Leadership Development**

FCCLA is student-led with many opportunities for students to become the ring leader and improve themselves, their families, and their communities firsthand.

- **Focused Programs**

FCCLA offers programs to help develop leaders get on their way and “juggle” the many aspects of leadership. FCCLA focuses on family, traffic safety, being fit, community service, and so much more!

- **Community Service**

Along with all of these amazing acts, FCCLA ring masters manage to improve their communities and improve the lives of people in their hometowns.

Leadership Service in Action Project:

The Gift of Time

: Kansas FCCLA would like to spend a little time on those who have spent so much time making us who we are. Members can spend time talking to, listening to, playing games, or doing anything else with elderly people in their community.

Our Purposes

- 1) To provide opportunities for personal development and preparation for adult life
- 2) To strengthen the function of the family as the basic unit of society
- 3) To encourage democracy through cooperative action in the home and community
- 4) To encourage individual and group involvement in helping achieve global cooperation and harmony
- 5) To promote greater understanding between youth and adults
- 6) To provide opportunities for making decisions and for assuming responsibilities
- 7) To prepare for the multiple roles of men and women in today's society
- 8) To promote Family and Consumer Sciences and related occupations

National Programs:

National programs are... intense areas of project work for FCCLA chapters nationwide. These programs contain educational material, fun activities, and exciting awards. At the state level, winners are selected for their projects in specific national programs. The national programs are:
