State Goals

The State Executive Council identified 5 goals that they would like to achieve as a state to make this experience the best it can be for all members in the 2017-2018 year. These goals include:

1. Raise Membership by getting the FCCLA word out, increasing involvement in chapters and raise each chapter's membership by 3 people.
2. Gain 6 new chapters.
3. Implement chapter spotlight awards to encourage chapter's to get involved to help achieve the state goals.
4. Increase the use of parliamentary procedure in meetings throughout the state.
5. Use social media to recognize members by using the hashtag, #ksfccla, using our Instagram and twitter to recognize achievements and membership overall.

National Programs

These are intense areas of project work for FCCLA chapters nationwide. Above are the 8 national programs FCCLA has to offer. Students can get recognized at the state level depending on their projects on specific national programs.
