

# **2016-2017 State Officer Workshops:**

## **Monet Howe: Lights, Camera, Leadership!**

Join me on the set of, "Lights, Camera, Leadership!" where we will be exploring the basics of leadership through games, quizzes, and fun! From this workshop you can gain information on how to be a leader in every situation. Learn to accept and respect the other types of leaders you will encounter. That's a wrap!

---

## **Jaxson Metzler: Where "STAR"s are Born**

Competitive Events can sometimes be difficult to understand. In this workshop you will learn all about the world of FCCLA Competitive Events. It will include detailed descriptions of Skill Demonstration Events, Knowledge Bowl and STAR Events, levels of competition, the in-and-outs of how to present a STAR Event and how to have fun while doing it! Be a STAR!

---

## **Aaron Butler: Parliamentary Procedure 101**

The goal of this workshop is to teach the basics of parliamentary procedure. Learn many basics such as: how to make a motion and debate on a motion. Learn why parliamentary procedure is necessary to conduct a meeting. At the end of the workshop I will put what has been learned to the test with a fun activity!

---

## **Hali Crellin: The Road to Recognition**

Through fun and exciting activities, you will learn about the recognition awards and why we have them. We will focus on personal features and qualities to help students understand the awards. Everyone can take the 'Road to Recognition'!

---

## **Angela Ortega: Rising Up to The Occasion!**

The central focus on this workshop is to explain how to run for an office. Be active and be a local chapter officer! Find out how to run and why you should run for a district and/or state officer. Learn the process of running and being elected. I will be discussing the responsibilities, leadership opportunities and benefits of being an officer. Rise up and be a leader!
