The FCCLA logo shows that FCCLA is a dynamic, active organization bound for the future. The dominant collegiate lettering articulates a focus on education and student leadership. The logo will continue to be red, the color of the rose, as a sign of strength. The swooping arrow arch is a common motif in today's designs and definitely embodies an active organization that moves toward new arenas. With its space-like feel, this logo is sure to last well into the future, but will always be linked to the time when FHA at the turn of the century changed to FCCLA.
