

## Our Mission

To promote personal growth and leadership development through Family and Consumer Sciences Education. Focusing on the multiple roles of family members, wage earner, and community leaders, members develop skills for life through character development, creative and critical thinking, interpersonal knowledge and career preparation.

## Creed

We are the family, Career, and Community Leaders of America. We face the future with warm courage and high hope. For we have the consciousness of seeking old and precious values. For we are the builders of homes, homes for America's future, homes where truth and love and security and faith will be realities not dreams. We are the Family, Career, and Community Leaders of America. We face the future with warm courage and high hope.
