

2022-2023 Kansas FCCLA Community Service Project

As the world continues to change each and every day, kindness and compassion are needed now more than ever, to change our communities, country, and world. Today, through the Kansas FCCLA Community Service Project, you have the opportunity to work with others by displaying random acts of kindness, in your school, community, or even state. As Kansas FCCLA members, we are the builders of homes, homes for America's future. In our creed, we value change, and most importantly kindness toward one another.

There is truly no place like Kansas FCCLA, and so let's make the day, or change the life of someone around us!

Post your Act of Kindness

We want to see how YOU are making a difference in your COMMUNITY, by promoting acts of KINDNESS, and working with OTHERS to change lives!
