
The Gift of Time

In today's society, elderly people are often neglected even by their own family. FCCLA's main focus is on the family. Through *The Gift of Time*, FCCLA members will have the chance to show leadership and community service.

The Goal

The goal is to go out and communicate with elderly people in the area, by cleaning yards, helping at a senior center, talking, singing, playing cards, or just spending time with them. These are all ways to give *The Gift of Time*.

Time

Do you have a neighbor, family or a close family friend who is elderly? How much time do you spend with them? The gift of time was made for members to spend time with people they don't often spend time with.
